SPRINGBANK HILL IN SOUTHWEST CALGARY

Located in the established, picturesque community of Springbank Hill in Southwest Calgary, Elveden Heights Estates offers contemporary living with spectacular views.

Elveden Heights Estates' beautifully-appointed and generously sized lots—up to one third of an acre—are situated in a beautifully treed, intimate cul-de-sac. Walkout basements offer buyers an additional floor of living space.

Just a 15 minute drive from downtown, the community is nestled on a quiet residential street in the heart of Calgary's vibrant west side and is surrounded by an abundance of amenities such as schools, recreation centres, pathways, public transit, shopping and fantastic restaurants.

To help ensure the integrity and quality of Elveden Heights Estates, RockBoss Developments has partnered with Rockwood Custom Homes to exclusively build all eight lots of Elveden Heights.

Lots are now selling and await the construction of your custom dream home.

Rockwood Custom Homes is an exclusive, boutique custom home construction and renovation company that provides a full suite of architectural design, construction and interior design services to a discriminating client-base.
