CALGARY, AB

ROCKWOOD CUSTOM HOMES

COUNTRY ESTATE LIVING AT THE FOOT OF THE ROCKIES

Mountain Pine Estates is an exclusive residential community that offers fully-serviced, two-acre lots, with stunning views of the Rocky Mountains. And while the city is only moments away, this peaceful country setting provides plenty of privacy with landscaping that features mature trees and hedges. The estates' natural surroundings only serve to enhance the beauty of this development.

As the exclusive builder for Mountain Pine Estates, Rockwood Custom Homes will work with buyers, incorporating their individual styles and tastes into each custom build. Working with you throughout the entire custom home building process, Rockwood will help you develop your unique vision within this exclusive development. Our quality materials and experienced trades people are selected not only to exceed your expectations for superior quality but to also match your discriminating and individual tastes.

The beautiful west side setting of Mountain Pine Estates showcases vistas of the majestic Rocky Mountains and yet this community is only a short 20-minute drive to Calgary's downtown core. Located one kilometre south of Highway 8 on RR 31 (149 Street SW), countless recreational opportunities in Alberta's foothills await you. Stroll along the scenic Elbow River, play a round of golf at one of Calgary's premier courses, or enjoy the nearby shops and restaurants of Aspen Woods and West Hills. Start living! Lots are now selling and await the construction of your custom dream home.
